Mr. William Yuhnke, President  
Liberty Cab Company  
1524 Kenmore Ave.  
Buffalo, N. Y. 14216

Dear Mr. Yuhnke:

My mother and I saw the TV news story of Liberty Cab offering free rides to blood donation centers. We both remarked how wonderful that is and recalled your company's offer of the same on New Year's for those who have celebrated too much.

You and your staff are to be commended. These community-minded gestures are noteworthy and praiseworthy. With high gas prices and tight budgets, these actions are quite meaningful. In an age where complaints are more plentiful than compliments, your company deserves a great deal of credit!

Sincerely,

A handwritten signature in blue ink, appearing to read "Lynn M. Marinelli".
