Dear Felicia,

On behalf of the board, staff and committees of Trimania, we cannot thank you enough for supplying our event with cabs during the night of our event. Having cabs available to the public at such an event helps insure that people will be safe and make smart decisions.

Everyone's efforts rewarded us all with a very hip event that raises the quality of life in our community. Trimania has etched itself into local legend. We have heard nothing but great feedback from the public and the participants. We could not have done it without our generous corporate sponsors, our in-kind sponsors, our committee, volunteers, the building staff and tenants.

Trimania is a huge undertaking that takes weeks of planning and preparation. It is through the help of our in-kind sponsors that assist in making the event a special occasion. Again, thank you for your time. We hope that you will continue to support the Buffalo Arts Studio and Trimania! We would like to hear feedback regarding the numbers on how many people used the cabs that night and if it is worthwhile for your company for next Trimania? Feel free to contact us [REDACTED]

Sincerely,

Jeff Langridge
Development/Special Events Coordinator

Thanks!
